EXPERIENCE

Project Engineer & Field Engineer Intern, Dr. Hyler OBGYN Project

May 2026 – Aug 2026

Dana B. Kenyon Company

Jacksonville, Florida

- Reviewed and tracked submittals and RFIs daily in Procore, coordinating ball-in-court status between subcontractors, the architect, and the project team
- Maintained daily logs and manpower reports, documenting site progress, weather, and safety conditions throughout the construction phase
- Executed document control, drawing markups, and project management workflows using Procore and Bluebeam
- Built working relationships with subcontractors and vendors on site, gaining hands-on exposure to commercial project management from both the field and office

Ranch Hand

Sep 2025 – Present

Chatel Farms

Reidsville, Georgia

- Operate and maintain heavy equipment including tractors, skid steers, and utility vehicles
- Perform daily site tasks across large outdoor acreage in all weather conditions
- Manage materials handling, inventory staging, and logistics to support efficient daily operations

Founder & Owner

2022 – Present

River City Shine Detailing

Jacksonville, Florida

- Founded and managed an auto detailing business serving 100+ clients, generating \$15,000+ in revenue in a single summer
- Directed marketing, budgeting, and daily operations as sole proprietor

Fishing Captain Mate

Summer 2022 – Summer 2023

North Florida Fishing Camp

Jacksonville, Florida

- Taught fishing techniques and boating safety to youth campers
- Supervised campers and ensured safety during all on-water activities
- Mentored youth participants, developing leadership and communication skills

ACTIVITIES & LEADERSHIP

Georgia Southern Club Lacrosse

2024 – Present

Midfield/Attack | Apparel Chair

- Compete at the collegiate club level; serve as Apparel Chair managing team merchandise and gear orders

CERTIFICATIONS

- Procore Certified: Student, Project Management
